## Call for Judges: Student Poster Session

We are looking for DCMAND members who would like to volunteer their exceptional skills in support of the student poster session event at the 2023 Annual Meeting. Two types of judges are needed! Abstract judges will review and rate assigned abstracts (250 words or less each) at their leisure from March 12th to March 27th, 2023 using the provided score sheets. Once the completed score sheets are sent back to the Student Representative the abstract judges have fulfilled their responsibilities. Poster judges will review the posters created from the selected abstracts from April 10th to April 16th, 2023 so that they can prepare their comments and questions. On the day of the Annual Meeting, April 17th, 2023, poster judges will attend the poster session before the conference and listen to their assigned presentations. Following the presentations, poster judges will rate the posters they evaluated using a brief score sheet in order to select the winners for each category. If you are interested in volunteering, or you would like to know more, please email the Student Representative, Nancy Irias, at [student@eatrightdc.org](mailto:student@eatrightdc.org). Thank you so much for your support!
