Food is Medicine (FIM) initiatives

The Academy is actively engaging in work on coding and related research to inform advocacy and other initiatives to advance food is medicine (FIM) initiatives that aim to improve patients' health outcomes. Academy members who are participating in FIM initiatives here in DC are requested to email the Carly Leon, Director of Healthcare Policy and Payment, at cleon@eatright.org with information about their work to support the Academy's efforts on coding and related research.

National Nutrition Month

March is National Nutrition Month! The Academy offers resources for promotion of National Nutrition Month - [learn more here!](#)
